

Dear Colleagues,

**LOKMAN HEKIM HEALTH SCIENCES (LHHS)**, the scientific publication of Lokman Hekim University, started to accept publications as of July 5, 2021. This is a peer-reviewed Open access journal to be published as 3 issues annually in English. Original articles, reviews/meta-analysis, brief reports, case reports, letters to the editor and articles related to history of medicine within the scope of medicine, dentistry, pharmacy, health sciences (Nursing, physiotherapy and rehabilitation, nutrition, and dietetics, midwifery, ergotherapy, audiology, language and speech therapy) and sports sciences will be accepted for publication. We demand no submission or publication fee as we aim at making valuable research and information in health sciences accessible to all national and international researchers. Furthermore, we selected English as publication language to enable research work to be shared in all scientific platforms.

I gratefully acknowledge the respectful directors of Lokman Hekim University for their support in the establishment and development of the journal, precious members of editorial and advisory boards and the eminent scientists that contributed and will contribute by serving as authors and reviewers.

We are rather excited and proud to accept the great mission of publishing valuable researchs in health sciences that is in the centre of life.

Respectfully yours,

**Prof. Dr. Feyyaz Onur**  
**Editor-in-Chief,**
